NOW ENROLLING!!!

The EMERGE Academy is an innovative educational reentry pilot program for young women (cis-and trans-gender) ages 16-18, residing in Alameda County, who have had prior contact with the criminal or juvenile legal system, or who are returning to school from a condition of confinement. EMERGE also is designed for students who are system involved, chronically truant, and/or disconnected from school.

EMERGE Program is located at Girls Inc.
510 16th St. Oakland 94612

All students will have individualized support, case management and Transformative Mentoring ™

We use an integrated arts-based curriculum that is driven by student interest

Students will be supported to obtain a high school diploma, enroll in college or find full-time employment in a fulfilling career

This program is ultimately a college and career pathway for young women
